

## MISSION STATEMENT

*To build and sustain a healthy community through youth substance abuse prevention and education*

### EXECUTIVE DIRECTOR

*The Executive Director reports to the Executive Board and will have overall strategic and operational responsibility for Coalition staff, programs, expansion efforts, and execution of its mission. They will plan and implement prevention strategies within the community using an environmental approach and evidence-based programs. They will work to ensure the coalition continues to effectively mobilize the community in the reduction of underage substance use and the overall improvement of behavioral health.*
