August 2017

Evaluation in Progress: Strategy planning meets 1 time per month in Feb-April and then 2 times per month in May & June. Review pre and post tests. Determine progress. We need volunteers for committees and evaluation of certain programs.	
Booth Opportunities: Labor Day, Balloon Rally, PAC meetings (need a Spanish speaker), Health Fairs, Farmers Markets, Home Football Games.	
Community Coalition: Need a representative from each of 12 sectors. We would also love more native prosserite representation and participation. Being a member involves coming to most meetings and participating in a subcommittee, trainings, and some volunteer events.	
Hidden in Plain Sight: This program is a bedroom set up at any given location and items in the bedroom are hidden that indicate problem behavior. We then deliver a presentation that shows what they are and how they relate. Resources can be set up at presentation as well.	
Rachel Shaw	Trainings
CADCA: Feb 4-9, 2-4 people go to WA DC to receive education and to meet with policy makers. Mid-year is in July group of 10 youth and 5 adults to Orlando for workshops and training to bring back to the coalition and community.	
GGC Facilitator Training: 3 day training, best if a parent yourself. Must commit to deliver 1 training with in a year of being trained.	
Tobacco Prevention Program Training: Learn Sally the Skunk program and help organize implementation.	
Youth 2 Youth: 2 day out of state training to develop skills working with youth. Must commit to 6 youth events this year.

Mustang CIA: Youth coalitions at High School and Middle School. Meet twice a month. Need adult volunteers to help with After Prom Party in the Spring. What other programs do you want to see students working on?	
Guiding Good Choices (GGC): Program for those who parent. Offered twice a year in English and Spanish. 5 sessions over 5 weeks. Discusses family bonding and communication as a protective factor to reduce youth involvement in risky behavior.	
Communities In Schools (CIS): Social work position focusing on increasing attendance to promote academic achievement. Works with students and families to find resources for basic needs.

Talk they hear you: localized adult media campaign. Need help switching out posters quarterly, how to get video seen and circulating.	
Alcohol/Pot Policy: Sticker shock reminds consumers the consequences of providing to minors. Need help stickering near spring break. Also need help with after prom party.
